## *Background*

Peddle Thorp & Montgomery Limited (now In Liquidation) (“the Company”) was established in Wellington in 1973, becoming an incorporated business in 1988.

Offering architectural practices across education, private and public sectors, the Company had a solid reputation. Various legal disputes concerning leaky properties and employment law issues have resulted in significant costs being incurred. A lack of sufficient contracts resulted in reduced cashflow and an inability to meet rental and tax liabilities.

In recent times, the Director has been challenged by health concerns and therefore unable to continue operating the Company.

Following professional advice, the majority shareholder resolved to place the Company into Liquidation.

## *Proposals for conducting the liquidation*

The Company has few assets, some of which may be subject to security agreements. The liquidators have requested security documentation from the secured creditors. The liquidators will review all documentation before agreeing to the release of any assets. The liquidators intend to sell any unencumbered assets for the general benefit of the Company’s creditors.

The liquidators will conduct an investigation of the Company’s books and records to further establish if there are any potentially voidable transactions that require investigation, and further to ensure that the directors have complied with the duties and obligations imposed on them under the Companies Act 1993.

In the event that there are funds available for a distribution, the liquidators will admit creditor claims and make a distribution.

The liquidators will then complete a final report and request that the Registrar of Companies remove the Company from the register.

## *Statement of Position*

The liquidators have prepared an Estimated Statement of Position of the Company as at the date of liquidation (attached).

### *Meeting of Creditors*

After having regard to the assets and liabilities of the Company, the likely result of the liquidation and other relevant matters, the liquidators, in accordance with Section 245 of the Companies Act 1993, have decided to dispense with a meeting of creditors.

A creditor may request, by way of a notice in writing, a meeting of creditors within 10 working days after receiving this notice.

In accordance with Section 314 of the Companies Act 1993 a creditor or shareholder may request the liquidator to call a meeting of creditors or shareholders at any time in the course of the liquidation to vote on a proposal that a liquidation committee be appointed to act with the liquidator. This request must be in writing.

The liquidator may decline a request by a creditor or a shareholder to call a meeting on the ground that:

- (a) the request is frivolous or vexatious; or
- (b) the request was not made in good faith; or
- (c) the costs of calling the meeting would be out of proportion to the value of the Company's assets.

The decision to decline a request may be reviewed by the Court on the application of any creditor or shareholder.

### *Creditor's Claim Form*

Please find enclosed a creditor's claim form. Creditors should complete and return this form to the above address on or before 23 December 2016.

Creditors who do not make a claim within this period may be excluded from any distribution that may be made.

Should you be of the opinion that you hold a security interest this should be noted where appropriate on the form and advised to us immediately, along with the appropriate supporting documentation.

*Estimated Date of Completion*

It is not practicable to estimate the date of completion of the liquidation at this stage.

Should you have any information that you believe would lead to realisations for the benefit of creditors, please set it out in writing, attaching copies of all documentary evidence, and send it to the liquidators. Please note that the liquidators can only act on written information as telephone, or other, conversations will be regarded as hearsay by any court.
